

NICOLE TEMPLE & LEBARON LEBLANC

JUNE 8, 2013

FOR NICOLE AND LEBARON, MUSKOKA will always be a place they hold dear to their hearts. The pair were engaged at Nicole's family cottage in Muskoka, so naturally when it came to their wedding theme, it was no surprise that the pair wanted their wedding to encompass that same outdoorsy vibe. "We wanted to include outdoor elements, so we used cornflower blue—inspired by the lake—in our decorations," Nicole explains. The couple's dog Vigi also played a significant role on their wedding day. "He couldn't be there, so we included pictures of him with our table numbers," Nicole smiles. To open up the floor, the duo wowed the crowd with a well-rehearsed dance number. "We took lessons for our first dance and danced to Ed Sheeran's 'Kiss Me,'" Nicole reminisces. "We rehearsed so hard for it, and we were so happy it went off without a hitch."
